“Paying tribute to the sectional sofa of my childhood home in the 1970’s, a symbol of volume, comfort and versatility. With a nod to my favourite modernist designs, the Nara sofa captures the spirit of permanence and playfulness that defines timeless classics.”

Danielle McEwan, Founder & Creative Director of Tigmi

FABRICATIONS

ITALIAN COTTON VELVET

Our Italian 100% Cotton Velvet offers a dense cotton pile, rich colours and sumptuous hand feel. The smooth weave adds subtle lustre. This luxurious velvet has also been developed with a unique eco-friendly finish, designed to improve the general appearance and physical performance of the velvet itself.

CONSTRUCTION & CARE

GECA CERTIFIED FOAMS

Crafted from a unique combination of Geca Certified foams treated with antimicrobial protection which works to maintain product freshness, cleanliness, and durability. This process holds registrations with EPA (US), compliance with BPR (EU), and Oeko-Tex listed, ensuring quality and safety.

AUSTRALIA MADE

The Nara is proudly designed and made in Australia with a 10–12 week lead time. Utilising exceptional local and international materials, the sofa is offered in 15 distinct Italian cotton velvet colours and a textured Italian cotton and wool blend in Wheat and Ecru. The Nara sofa allows for personalised style expression making it a timeless addition for the modern home.

CARE & MAINTENANCE

Clean & Refresh

Gently brush with a fabric brush in the direction of the pile.

Dry Stains

Scrape away any debris from the surface with a dull knife or spoon. Using a damp cloth and a solution of one part dishwashing detergent to ten parts water, gently blot the stain, working your way in a circle from the outside of the stain to the middle. Repeat the process as necessary until the stain is removed.

Wet Stains

Blot immediately with slightly damp cloth.

After removing a stain, pat dry with a clean lint-free cloth; as the fabric dries, brush gently in the direction of the pile.

DO NOT use any cleaning product that contains bleach.

Velvet

For slight bruises or crush marks, steam the velvet (keeping at a distance to avoid water drops forming on the pile's surface) and gently brush with a fabric brush in the direction of the pile.

WARRANTY

The foam core features a 5 year warranty.

FIRMNESS
